

The i Momentum Social Value

Our Identity:

i Momentum Services (IMS) is a 100% Australian-owned, Sydney-based boutique consultancy. As a certified Women-Owned and Led enterprise, we are dedicated to fostering an inclusive and diverse STEM workforce while delivering elite technical execution.

Our Core Commitments:

- **Social Procurement Targets:** We actively assist our partners in meeting their Gender Equality and Social Procurement objectives. By engaging IMS, organizations directly support a diverse enterprise that reinvests in the Australian IT industry.
- **Sovereign Capability:** We prioritize on-shore, AU-based talent to ensure data sovereignty and support the growth of Australia's domestic technical leadership.
- **Mentorship & Representation:** We are committed to the mentorship of women and underrepresented groups within the Cybersecurity and System Architecture domains, ensuring a more resilient and diverse future for Australian technology.

Compliance & Partnership:

We operate in full alignment with the Australian Government's social procurement frameworks, providing a transparent and accountable partnership model for mission-critical projects.
